## OUR SERVICE ASSESSMENTS

We follow the ERD principle (Exclusion – Restriction – Destruction), the philosophy being that prevention is always better than cure. We work in partnership with you to help maintain a pest free environment through effective implementation of the ERD process:

- Exclusion - prevent a pest from entering the premises
- Restriction - preventing a site becoming hospitable to pests
- Destruction - eradication or removal of the infestation

### Choosing us as your pest control supplier offers you the following key benefits

- Fully trained and qualified surveyors and technicians
- Demonstration of recognized Health & Safety procedures
- Application of the Exclusion Restriction, Destruction
- Appropriate Public Liability Insurance.
- Detailed, clear and concise reporting & recommendations
- Helping to save you time and money

### Our Service Includes

- Comprehensive regular site inspection and identification of pest problems.
- Potential risks
- Detailed reports of every visit that includes observations, notes of treatment and recommended action. Overall site risk assessment analysis.
- Compliance with applicable legislation
- Unlimited emergency callouts.
- Free surveys and quotes if changes in service are required.
- Site checklists. We understand your unique needs

### Our solutions are tailor-made to fit your circumstances, wherever you are:

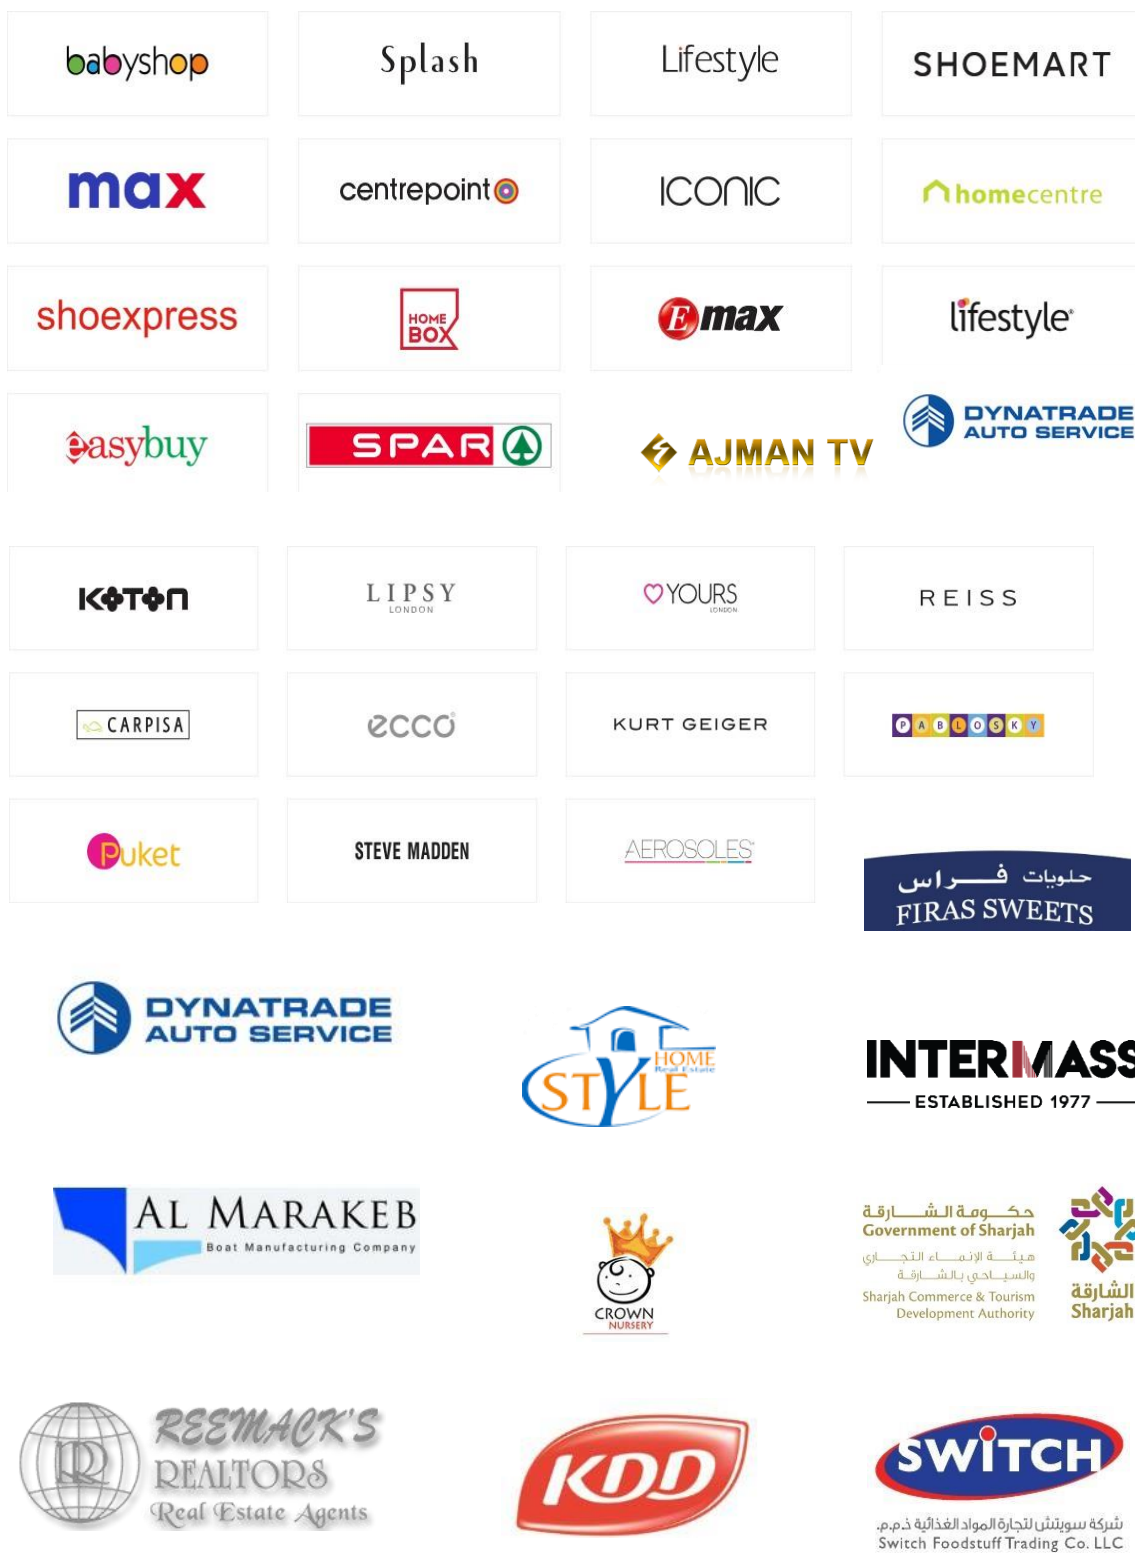

- Food Retail
- Restaurant
- Fast Food Operator
- Food and Beverage Processor
- Hospitality
- Health Care
- Commercial
- Industrial

### Quotation and Pricing and Service Guarantee

Professional, Qualified surveyors visit your premises and carry out detailed inspection and make an offer based on highlighting problems and vulnerabilities and containing recommendations for remedial and preventative action. It is then taken to the Al Hind Pest Control offices and pricing is done depending on the information compiled by the surveyors.
